Certified: Certifications and registrations vary by product and may include CE, SGS, ISO, and FDA registration (where applicable).

FDA registration applies only to select products (Terra P90+ and Shaken Massager). OlyLife products are not FDA approved and are intended for general wellness use only. They are not intended to diagnose, treat, cure, or prevent any disease.

PEMF Studied in Space-Related Research Settings

Pulsed Electromagnetic Field (PEMF) technology uses low-frequency electromagnetic pulses and has been explored in scientific research, including NASA-related investigations into tissue and musculoskeletal health. OlyLife products incorporate PEMF technology for general wellness purposes, such as supporting relaxation, comfort, and overall well-being as part of a healthy lifestyle.

NASA Notice: References to NASA are for research background only. OlyLife products are not affiliated with, endorsed by, or sponsored by NASA.
